

Christine, Don, Dian and Chuck:

It would be great if any or all of you could come to read your letters or share your comments.

We have two more public input meetings - one on Wed Sept 24th from 11:30 am - 1 pm, and an evening meeting on Sept 10 that is 5 - 7 pm (unless it becomes 6 - 8 pm). Website will have exact times next week but I think this schedule is going to stick.

Having your general concurrence that we have been trending in the right direction, and that may of Nancy's traits (excluding failure to disclose conflicts) continue to be valued would be useful.

We need some balance to the nay sayers that think CCDC should be shut down and that the board members are all corrupt!
