Subject: Important Message to Ed Center Employees - Proposition "S" Meetings

All employees are encouraged to attend one of the Proposition "S" meetings being held tomorrow and Thursday in the Education Center auditorium:

- * Wednesday, 8 - 8:30 a.m. (Human Resources), and 4 - 4:30 p.m.
- * Thursday, 8:30 - 9 a.m. (Finance/Business Services)

The departments in parenthesis have been assigned to attend that particular meeting. If your department is NOT listed, please feel free to attend any one of the meetings.

The purpose of this staff briefing is to provide factual information about Proposition "S" so that you can answer questions from the public about the bond measure that is on the November 4th ballot. The \$2.1 billion facilities improvement bond will fund repairs and upgrades at 180 of our district schools.

Employees will also have an opportunity to ask questions after a presentation.

Additional parking will be available at the Fellowship of San Diego Church, 4353 Park Boulevard (just north of the Ed. Center).

For more information, contact Cynthia Reed-Porter at creed-porter@sandi.net.

Maureen

You may already have this opinion. It appears that the question is was City Schools resources or cash used to hold and staff the meeting. If cash was used it is an FPPC matter if public resources were used then it is a matter for the DA Public Integrity Unit or Attorney General.

Do you think this is active politicing or a balanced seminar to present both sides of an issue? My understanding is that attendees were asked to bring thier Cell phones and sign up for Prop S support phone banking.

The recipients are the junior and senior High School principals and administrators. Ms. Meyers is thier boss evaluator.

I do not know if similiar meetings have been called for elementary school and other district staffs.

The School District's attorney apparenty attended in his official paid role to act as a content and door guard.
