Steve -- I'm meeting with the Mayor late tomorrow to give him a report on progress I've made of raising some additional monies for the San Diegans for City Hall Reform account that we've kept open in anticipation of the possibility of going back to the voters to make the reforms passed last November permanent.

If I could get another \$25-\$30,000 in total pledges, I think that would be a comfortable amount going forward. Do you think you'd be interested in giving another \$2,500/\$5,000? It can take corporate checks in any amount.

Thanks -- I'm attaching a contribution envelope if you're interested in helping out Jerry.
