Hi folks..hope I have not left anyone off the list! A great meeting, and thank you for coming. Next meeting is set for july 11th., same venue.

Tim and I will meet with the Polish /Warsaw contact, and Pat and I will meet again with Ben next week.

When I got home there was an e mail from a friend who works at Qualcomm..he's just moved to the chip/semiconductor division, and will be visiting...Shannon!
